Metropolitan Plan Commission
Docket No. 59-AO-9

ORDINANCE

BE IT ORDAINED by The Marion County Council of Marion County, Indiana, that Marion County Council Ordinance No. 8-1957, adopted by The Marion County Council on March 28, 1957, and subsequently amended pursuant to Section 85 of Chapter 283 of the Acts of the Indiana General Assembly for 1955, as amended, and the Subdivision Control Ordinance of Marion County, Indiana, which was adopted as an amendment thereto by The Marion County Council on November 3, 1958, be amended in the following particulars:

That sub-section 3 of section 3.02 of chapter 3 of said Subdivision Control Ordinance be amended to read as follows:

3. Primary Thoroughfare

Any street designated and labelled as a "primary thoroughfare" shall be an arterial street designed, planned and intended for through vehicular traffic in conformance with the Comprehensive Plan and Thoroughfare Plan with partial control of access thereto. As a general principle, primary thoroughfares shall be located at approximately one (1) mile intervals in a north-south, east-west grid pattern, except in congested areas where they may be located at more frequent intervals. Minimum width of right of way for a primary thoroughfare shall be ninety (90) feet except where conditions necessitate a minimum width of right of way of one hundred ten (110) feet. Partial control of access to a primary thoroughfare shall be exercised in either event so as to permit access to each lot abutting thereon as provided in sub-section 14 of section 3.02 of chapter 3 of this ordinance.

That sub-section 4 of section 3.02 of chapter 3 of said Subdivision Control Ordinance be amended to read as follows:

4. Secondary Thoroughfare

Any street designated and labelled as a "secondary thoroughfare" shall be designed, planned and intended to serve as a collector and distributor of through vehicular traffic, in conformance with the Comprehensive Plan and Thoroughfare Plan from sections of land within Marion County to expressways, parkways and primary thoroughfares and vice versa, with partial control of access thereto. Minimum width of right of way for a secondary thoroughfare shall be ninety (90) feet. Partial

control of access to a secondary thoroughfare shall be exercised so as to permit access to each lot abutting thereon as provided in subsection 14 of section 3.02 of chapter 3 of this ordinance.

BE IT FURTHER ORDAINED that an emergency exists for the passage of this ordinance and that the same shall be in full force and effect from and after this date.
