INDIANA STATE ELECTION BOARD

MEMORANDUM

To: Board of County Commissioners
From: David H. Maidenberg
Date: 1/22/90
Re: Approval of precinct changes

This is to officially notify you that the precinct boundaries established by your county were approved at a meeting of the State Election Board held on January 12, 1990.

Your county registration officials should immediately begin altering voter registration records to reflect the new precincts.

Within 14 days following the receipt of this notice, the county commissioners should give notice of approval by one publication under IC 5-3-1-4. This notice should include:

(1) a list of the precincts affected,

(2) the date the order was issued by the county executive (if none was issued, the date the order was issued by the State Election Board: January 12, 1990),

(3) the date the order was approved by the State Election Board,

(4) the effective date of the order,

(5) a statement that the maps, legal descriptions, and estimated voter population of the established precincts are on file for public inspection in the office of the county auditor.

The commissioners should also file one copy of the maps and descriptions with the circuit court clerk or board of voter registration; and should file a copy of the published notice with the State Election Board no later than 45 days after the notice of approval is published. The precinct changes become effective immediately.

If you have any questions, please do not hesitate to contact us. Thank you for your cooperation in this project.
