MAYOR'S EXECUTIVE ORDER NUMBER 3, 1981

SUSPENSION OF BOND REQUIREMENTS
FOR RESIDENTIAL DRIVEWAY PERMITS,
COMMERCIAL DRIVEWAY PERMITS AND
EXCAVATION PERMITS

From and after the First day of January, 1981, I hereby suspend the requirements set forth in the Right-of-Way Activity Manual, Section VI-D. From and after the First day of September, 1981, I hereby suspend in part the requirements set forth in the Right-of-Way Activity Manual, Section VI-C and Section VI-E. Said Sections are hereby suspended to such time as the Department of Metropolitan Development and the Department of Transportation shall prepare replacement sections coordinating the requirements for excavation and driveway permits and the performance guarantees evidenced by surety bonds and such replacement sections are adopted by amendment of the Code of Indianapolis and Marion County.

The Department of Metropolitan Development and the Department of Transportation shall forthwith prepare replacement sections to supplant the heretofore mentioned sections and thereby allow the amendment of Chapter 28.5 of the Code of Indianapolis and Marion County as adopted by General Ordinance No. 37 on the 28th day of July, 1980. Until such time said sections are amended the following bonding requirements shall be in full force and effect and all persons desiring right-of-way excavation permits, residential driveway permits or commercial driveway permits shall abide by these requirements.

Residential Driveway Permit

Applicants who are "listed" with the Division of Buildings may secure a residential driveway permit without providing a bond other than the $5,000 bond needed to qualify for listing.

Applicants not so listed by the Division of Buildings may secure a residential driveway permit by complying with bond requirements in effect prior to the adoption of Chapter 28.5

Commercial Driveway Permit

Applicants who are "listed" with the Division of Buildings may secure a commercial driveway permit without providing a bond other than the $5,000 bond needed to qualify for listing.

Applicants not so listed by the Division of Buildings must comply with the bond requirements contained in Section VI-E of the Right-of-Way Activity Manual in order to secure a commercial driveway permit.

Right-of-Way Excavation Permit

Applicants who meet the conditions listed below may secure a right-of-way excavation permit without providing the bond required by Section VI-C-1 of the Right-of-Way Activity Manual:

A. the applicant is "listed" with the Division of Buildings, and

B. the applicant has secured a "rider" to the $5,000 bond (needed to qualify for listing) which extends the coverage of such bond to include right-of-way excavation work.

Applicants who do not meet both of the conditions set forth in the paragraph above must comply with the bond requirements contained in Section VI-C-1 of the Right-of-Way Activity Manual in order to secure a right-of-way excavation permit.

This Executive order supplants the Mayor's Executive Order Number 1, 1981.

William H. Hudnut, III
Mayor of Indianapolis
